### Voting Information

In Idaho there are two elections each year. This May is a Primary Election, which means your party affiliation does impact what/who you get to vote on in this election. Also, the elections department is always looking for citizens interested in supporting the election process by becoming a poll worker, this is a paid position. Debbie Andrews will be outside in the foyer after the service to answer questions regarding party impacts and more. She will also have Voter Registration and party change forms, absentee requests and sign-up forms to become a poll worker. Stop by and learn more about elections.
